

OUR MISSION
Working Together to strengthen and support noxious weed management efforts in Montana.

Who are we? Our members are...landowners, apartment dwellers, ranchers, city dwellers, hunters, business owners, families, grain producers, anglers, hikers, teachers, nature lovers, visitors, nonprofit organizations, cooperatives, photographers, guides, wildlife watchers, students, neighbors, researchers, and more. We are people who care about Montana.

Why become a member of the MWCA? We care about our state. We know that noxious weeds can impact every aspect of life in Montana, including: agriculture, wildlife, water and soil quality, hunting, view sheds, fishing, wild land fires, our parks, our history and our future. We want to be part of the solution, finding and promoting weed management efforts in Montana.

We invite you to join with us in the prevention and promoting management of noxious weeds in the Big Sky Country, and become a member of the MWCA today.

Benefits of Membership: All members receive the Weed Times quarterly magazine, email updates on things happening in the weed world, and reduced rates for trainings, the annual conference, and publications. All paid members are voting members of the organization. As a member, you know that you are promoting weed management efforts and educational outreach in Montana. Membership is valid for 1 year from the date payment is received in our office.
